- Customer Mailing Address** – Location where you receive your utility bill.
- Web Address** - You can manage your utility bill online by logging onto our website and setting up your username and password. Here, you can pay your bill, view your consumption, email BTU Customer Service questions, and much more.
- Utility Company Mailing Address** – BTU mailing address
- Customer's Service Address** – Location where you receive utility service
- Utility Account Number** - Your personal account number with BTU
- Cycle Number** – Each location in the BTU service area has a cycle number associated with it. This cycle number determines what day of the month we read your utility meter.
- Payment Due Date** – Date that your utility payment is due
- Amount Due By Due Date** – Current amount due on your account
- Amount Due After Due Date** – Amount due if paid after the original due date. There is a 5% late fee added to the bill if paid late.
- Service From/To** – Date range that BTU provides service for this billing period.
- Types of Service(s). Your particular account code and description may not have all services listed here.**
 - RCTS Electric Service** - This shows the electric service, meter number, meter reading from last month and this month, how many days of service for this bill, total consumption used, and the amount for the electric service.
 - TRESC Regulatory Charge** – This covers the Transmission Costs billed to BTU (TCOS) by other entities within ERCOT and other state or federal regulatory fees over which BTU has no control. It is a pass-through charge so BTU keeps no money.
 - WTCTR Water Service** – The water service code and description meter number, meter reading from last month and this month, how many days of service for this bill, total consumption used, and the amount for the water service.
 - WSCTR Water Irrigation (Sprinkler)** – Water used for irrigation
 - SLRCT Security Light** – An un-metered lighting service
 - WWRCT Waste Water** – Also known as sewer, this is the monthly charge
 - SWRCT Solid Waste** – The monthly charge for the collection of garbage pick-up
 - DTRCT Drainage & Transportation** – Fee to help maintain the drainage system and help keep the streets in the city in good condition.
 - Tax** – Local and State taxes that BTU is required to collect.
- Total New Charges** – Total charges for this billing period
- Last Billed Amount** – The amount that may be past due if not paid by the due date
- Total Due** – Total due on the account. This may include a current and past due bill
- Comments** – If you need to change your mailing address or phone number, you can make your comment here and BTU will update your account
- BTU Address** – The physical location where the BTU office is located.
