# POWERING FRIDAY NIGHT LIGHTS

*Fall in Texas is synonymous with football, and nothing brings communities together quite like supporting our student athletes, cheerleaders, drill teams, and bands on the field!*

*With seven schools playing their home games in our service territory, BTU is proud to power the timeless tradition of Friday Night Lights this season and every season for years to come.*

**GET OUT TO A GAME AND SUPPORT OUR LOCAL STUDENTS THIS SEASON!**

## CONSERVATION TIPS

### Energy Conservation Tip:

Electronics use energy while plugged in, even when they are turned off. Make sure you're not running up your bill with "energy vampires" by unplugging electronics while not in use.

### Water Conservation Tip:

Water your lawn and plants before 10 a.m. or after 6 p.m. to reduce evaporation during the hottest parts of the day.
