CREATING A BTU ONLINE ACCOUNT

BTU customers can view their historical usage, update contact information, and pay bills easily by creating an online account.

Select an account -> [dropdown]
and a meter -> [dropdown]
[Submit] to populate the graph below.

Follow the steps below to get you started:

1. Go to **btutilities.com** and click on **My Account**.
2. Select **Account Sign up** on the right side of the screen.
3. Fill in all the required fields.
4. After you hit **submit** a validation email will be sent to the email address you provided. Click on the link in the email to **activate your account**.
5. Once your account has been activated you will be able to **log onto your account** with the Username and password you created.
6. Users will be able to view account(s), payment history, a daily consumption graph, monthly consumption report, and view bills. You can also update contact information, register for Budget Billing or to receive e-bills.
7. When you log in to your BTU online account, you can make a one-time payment or set up recurring payments.

OCEANS OF POSSIBILITIES™

Annual Water Quality Report

Just keep reading, just keep reading with the BCS Library Summer Reading Program

Dive into the depths of imagination and discovery this year with the Bryan + College Station Public Library System's 2022 Summer Reading Program. This year's theme is "Oceans of Possibilities," which celebrates the endless ways you can explore and learn at your local library. Join us online for a summer full of programs from June 1 through July 31.

Everyone can join in on the fun with four age-tailored programs. For children ages 5 and under, programming is curated to aid in developing early language skills. In the children's program, children 6 to 12 will focus on building reading and language skills to develop successful reading habits. Teenagers will have their own program with a goal of motivating teens to read and discuss literature. The fourth program, will be geared towards adults ages 18 and up and encourages adults to experience the joy of reading.

By joining the BCSPS Summer Reading Program you will get to engage in programs and activities, participate online to share reviews, earn cool badges towards reading goals, and be automatically enter in drawing to win prizes.

So get ready to dive into the Summer Reading Program! Registration starts June 1, but you can sign up and participate any time throughout the summer.

If you are a City of Bryan water customer, the direct link to our 2021 Annual Water Quality Report - Consumer Confidence Report (CCR) is:

<https://docs.bryantx.gov/water/2021waterqualityreport.pdf>

Your new report will be available for online viewing by July 1, 2022. For a translation of the report; to speak with someone about the report; or to request a paper copy of the report, please call (979) 209-5900.

Si usted es un cliente de agua de la Ciudad de Bryan, el enlace de internet directo a nuestro 2021 Reporte de Calidad de Agua Anual - Reporte de Confianza del Consumidor (CCR) es:

<https://docs.bryantx.gov/water/2021waterqualityreport.pdf>

Su reporte nuevo va a ser disponible para ser visto por internet para el 1 de Julio, 2022. Para una traducción del reporte; para hablar con alguien sobre el reporte; o para solicitar una copia en papel del reporte, por favor llame al (979) 209-5900.

CONSERVATION TIPS

Energy Conservation Tip:

According to energy.gov, about 76% of sunlight that falls on standard double-pane windows enters to become heat. For windows that face west or south, be sure to keep window coverings, such as curtains or shades, closed during the hot summer days to keep your home cooler.

Water Conservation Tip:

To reduce evaporation and control weeds, apply mulch around shrubs and flower beds.
